

cost *indicators* for course materials

Project Goals

- Indicate courses with low or no material costs so students can plan ahead
- Promote the use of open educational resources, library materials, and low-cost resources
- Encourage OER adoption reporting

BCcampus

BCcampus will provide funding to B.C. and Yukon public post-secondary institutions for new or ongoing cost indicator initiatives.

"Cost transparency empowers students to plan confidently and choose courses that fit their budget."

—Cole Reinbold, Secretary-Treasurer, BC Federation of Students
